Diarrhea:

Coughing:

Allergies:

Diet:

3. Please list ALL medications your pet is currently taking: We would like to verify that our records match what you are currently administering at home.

| Medication | Strength | # of times per day | Last dose(date/time) | Refill | Pharmacy & Number |
|------------|----------|--------------------|----------------------|--------|-------------------|
| | | | | Y N | |
| | | | | Y N | |
| | | | | Y N | |
| | | | | Y N | |
| | | | | Y N | |

4. Do you have any concerns that need to be discussed with Dr. Peterson? Yes No

5. Your pet may require sedation for his/her chemotherapy treatment today. If it is required, can we proceed with sedation or would you like to discuss with Dr. Peterson first? Proceed Call First

Dr. Peterson will always call you if she has concerns about your pet or would like to talk with you regarding your pet's chemotherapy treatment and progress.

Please list contact numbers for the day. If we are unable to contact you, your pet's treatment could be delayed or rescheduled. Please plan on being available by phone for the duration of your pet's oncology appointment.
